

How to change your Atmosphere

10 April 2016

Sunday morning service

Eugene Maree

What did you bring with?

God blessed Potiphar's house because Joseph was there.

Joseph continues to be faithful even after he was sent to prison, and even in prison people were blessed through him.

The land was blessed because of Joseph.

Wherever Joseph went he was blessed, and the people around him were blessed.

Genesis 39v2

Why was there favour?

Because the Lord was with Joseph, and Joseph was faithful.

Genesis 50v20

We all go through trials and tribulations, but we must push through.

We all have families - do you want to see them blessed?

Through our faithfulness and our commitment we touch others' lives (like the scent of perfume).

But through our negligence we also touch others' lives (like the smell of cabbage).

You can't see the blessings coming with your physical eyes.

Atmosphere that attracts the Holy Spirit is purity, holiness, love, worship.

Drunkness, violence, negativity also attracts a spirit, and touched people's lives - but what spirit does it attract, and how does it touch the people's lives?

Your lack of faith can affect others negatively.

Ephesians 6v12

Create peace in your environment.

The presence of God brings peace and rest in your life.

God goes before us if we allow Him too, and He will bring rest and peace in our lives.

Presence of God brings us peace and calmness even during tribulations and extreme circumstances.

The presence of God gives us protection to pass through anything - any storm.

It's like a wall around us, a pillar of protection. Invite Him in and He will bring the realm of protection around you.

Isaiah 43v1-2

God is our only means of protection.

The presence of God gives us vision, purpose and direction.

It gives us clear guidance.

Jeremiah 29v11

Find out your purpose, walk in your purpose, understand your purpose.

The presence of God gives us the power to destroy the plans and works of the enemy.

God is stronger than your enemy.

Greater is He who is in me, than he who is in the world.

Jeremiah 20v11

The presence of God will bring us prosperity and blessings.

If God is there, you will be blessed

Recognise His presence, seek His guidance, and He will bless you.

Psalms 1v1-4

If you allow the presence of the Lord, He will give you direction.

Be careful not to rush ahead of God cause that's where things start going wrong.

Don't forget who made you - God made us to flourish, He made us strong.

Make time for communication - speak to God, build on that relationship with God. God wants to speak back

Don't forget about God's house. It's a place of power - we need it to rejuvenate, to fill up again.

Don't forget the power of partnership, and the pastoral blessings.

They might be hard on you, but it's because they want the best for you.

Create an atmosphere of acceptance, be there for one another, and love one another.
