

God always comes through.

We need to work with like-minded men and women.

The Gospel is not about us.

- One plants a seed.
- The other waters it.
- The others help reap the harvest.

We need to evangelize to fill God's house.

A win for another church is a win for the kingdom.

The longer you stick with Jesus, the more you will become like Him.

If you get hurt in the church, it's because your focus is set on people and not on God.

We need to practice what we preach.

Our lives must be a sermon.

## ***Matthew 5:13-16***

Jesus is with the lost; the sick; the poor and the needy.

**The Great Commission is not Jesus's Great Suggestion - it's a command.**

We must be more focused on making disciples than members.

Make sure you get the true Word of God.

If it's a near hit, it's still a miss.

Stay with Jesus, ask Him to walk out of the Bible and into your heart

The knowledge of the Truth will set you free.

***Ephesians 4:11*** is a gift to the people, so that they can be a gift to the church.

I am called – THAT IS WHO I AM.

We have the authority to change things.

It's not a one man show, we're all part of the body.

You don't need to have an opinion, "it is written".

We are firstly an ambassador of Christ.

We need to have the answer and have our light shine.

Stand up for something.
