21 January 2018

Sunday evening service

### ***John 9:1-41***

Man's destiny is to display the glory of God.

#### Prayer points:

Pray that He will touch your eyes:

- Ask God to give you a testimony founded in Jesus.
- Ask God that your status will change this year.
- Pray that everything that is preventing your miracle will be removed.
- Ask God for unshakeable concoctions.
- Ask God to take you to another level this year.
- Ask God for prosperity.
- Your breakthroughs are coming this year.
- Ask God to remove your religious cataracts.

We must work as a team - the left eye cannot see what is happening on the right - but the left and the right eye together make a great team.

We see with our mind.

We need to have the mind of Christ.
