

If we are partakers of the future, the future will come to us.

The church will know the way.

“I will build My church and the gates of hell will not prevail against her.”

What we shut no man can open.

What we open no man can shut.

There is grace to pursue destiny without distraction.

How many of us want to be accessible by God at all times? How many of us want to have personal encounters with God always?

God is ready and His spirit is poured out on us. What it means is that the Church will change.

Every predestined plan will be made known. He will speak into our hearts.

We want to be at the place where the Lamb becomes the Lion. The open heavens are God’s favour and life-time gift.

He’s given us the best. We will see more and more of what has been established in the past.

John 1:51

He then added, “Very truly I tell you, you will see ‘heaven open, and the angels of God ascending and descending on’ the Son of Man.”

There is a Nathanael company who will see the angels ascending and descending. He was the first one to hear about open heavens. The things Jesus did will set a new pattern. There is a new day.

If we present the principles of what we do in this house, we will change the community. It’s not just about network, it’s about securing it for our next generation. Esther must be in the right place before she can become queen.

Where every blessing is made accessible, where every person will have a God-encounter. Every predestined plan is made known, every promise will be given, every work fulfilled in confidence, every rule will be extended, every authority will be executed. Be where the supply line is. Drink of God’s measure, be where the Lamb becomes a Lion, receive a kingdom where it cannot be shaken.

When the spiritual ones in the city comes into conflict with one another, the demons come to attack them. We can only see as far as we are united as one. The supernatural anointing came upon David when he heard about Goliath.

He will raise up a fresh new seed, that is coming down from heaven touching the lives of men and women everywhere.

The time has come for the Bride to make herself ready.

There is a new spirit coming upon the church.

Though you see weakness, you will also see His power change the church.

There are 2 battles:

1. Is to win and guard your victory.
2. Not to allow the enemy to come into your weaknesses.

We as strategic men and women:

- Need open heavens.
- Open earth.
- Open dimensions of the spirit.
- Open ears – to hear a new sound and fresh word from heaven.
- Open eyes – to see new things in the spiritual realm.

1. Be a forerunner:

An open heaven us a direct result of God's favour in our lives.

It is a reward and God's seal of approval, expectance and partnership.

It will create a pulsating spiritual state in our lives.

It always happens when God's strategy comes into place.

It is a direct reward of explicit obedience to God so that we can receive His approval.

Matthew 3:13-17

Then Jesus came from Galilee to the Jordan to be baptized by John. But John tried to deter Him, saying, "I need to be baptized by You, and do You come to me?" Jesus replied, "Let it be so now; it is proper for us to do this to fulfill all righteousness." Then John consented. As soon as Jesus was baptized, He went up out of the water. At that moment heaven was opened, and He saw the Spirit of God descending like a dove and alighting on Him. And a voice from heaven said, "This is my Son, whom I love; with Him I am well pleased."

Matthew 4:1

Then Jesus was led by the Spirit into the wilderness to be tempted by the devil.

God sent a forerunner by the name of John, somebody who goes ahead to vindicate the people, getting them out from the oppression.

There is always a forerunner before anything major happens. A new day is coming for forerunners to rise. We are to take the promise to the world until we see it happen. John the Baptist preached and baptized; he wasn't just baptizing, but he was looking for the One.

Everything that is counterfeit will come to an end. We have not gone this way before. Even if we have gone this way before, it is not to this depth. There is a new message on planet earth called forerunners, a foretaste of the future yet to come, a message before the reality. Our churches must rise.

John the Baptist had to look for the sign which is the open heavens.

We need to understand these dynamics to keep the heavens open.

We need to have something more and stronger called Legacy Transfer; so that something can open up for us when we read the Word.

If it is not made real, we will miss the outpouring of the Spirit that's coming in the future.

Isaiah 60:1-5

“Arise, shine, for your light has come, and the glory of the Lord rises upon you. See, darkness covers the earth and thick darkness is over the peoples, but the Lord rises upon you and his glory appears over you. Nations will come to your light, and kings to the brightness of your dawn. “Lift up your eyes and look about you: All assemble and come to you; your sons come from afar, and your daughters are carried on the hip. Then you will look and be radiant, your heart will throb and swell with joy; the wealth on the seas will be brought to you, to you the riches of the nations will come.

There are always forerunners.

Jesus is our pattern.

There were always forerunners in His life:

- John the Baptist
- Mary who was called to tell the disciples of His resurrection.

2. The power of His Word

Many are in the valley of decision and we need to help them to choose life, because we proclaim life.

Jesus ascended and was exalted. We see everything from the light of His throne. God is sovereign. As human beings, we have many earthly opinions, but God is sovereign, and He can move anytime He wants. He can say to any mountain to be removed and any valleys to be filled. No one can take His place. When He comes, everyone will know that He is Lord.

The word of His power. The powerful One speaks, and all things change. We must build our altars accurately. God spoke to Jacob at Bethel. There are specific landmarks in our lives. Certain things will come at certain times. If you want to be a builder, let God build us first. If you want to be a restorer, restore first. Pay close attention so that we do not drift away.

We need present-day explicit obedience. Don't miss out by hardening your hearts as in the days of rebellion. In Japan and Switzerland, punctuality is non-negotiable. If you delay, you will miss the train. Things will move faster than you think, because of explicit obedience. God will help you enter into an area that you have not labored in. What we had sown will multiply.

The enemy will not come to destroy us. God will destroy the devourer. Make this (our father's house) a place of your store house. Every time you enter in, you will feel the energy and the life coming back to you. There is a call today from God to work with the Godhead. He said, "Who can we send?" So, I said, "Send me."

Keep your lives, your mouths and your hands clean.

He will bring you closer to His throne.

We will have such joy in our hearts.

The church will be such an exciting place to live.

We will see a new visitation from the Lord and receive new strength.

We will be able to discern what is evil.

Stand up like a man.

Answer like a man.

The measure of the Spirit of God will be given to you according to the measure of the spirit inside you.

50% receives 50% of the Spirit of God.

10% receives 10% of the Spirit of God.

We are released from every oppression and every earthly thing.

Be strengthened in your faith.

The size of the church is not measured by how many people are in the church, but the size of God in the church.
